

# Sewing Machine Lamp

DN1180

This small lamp is ideal for using on your sewing machine, you can direct the light exactly where you need it most. It is easily mounted on the side of your sewing machine with Self-Adhesive stickers and has a removable mount. The Daylight LED's provide high contrast and accurate colour matching, making it easier and less tiring to work and see detail clearly. LED's never need replacing and use very little energy. The light is powered by AC adapter.
